EXPERIENCE

PUBLIC SAFETY OFFICER • BAY CITY DEPARTMENT OF PUBLIC SAFETY • 2018 – CURRENT

- Problem solving that required creative thinking in order to solve people's unique issues.
- Attention to detail when writing over 700 reports that have been viewed by supervisors and prosecuting attorneys.
- Collaborated with partners and other agencies daily to resolve problems.

BUSINESS OWNER • OPERATION OUTLAST LLC • 2016-2018

- Personal business built from scratch where I used WordPress to create a website to share information and entertain.
- Used HTML, CSS, and JavaScript to make changes to the WordPress theme and have a responsive design in order to be viable on multiple platforms.
- Included blog posts, imbedded videos, products, and outside commenting that consumers viewed.
- Tested and debugged website while adding plugins for easier use.

UNIVERSITY OF MICHIGAN • SEE EDUCATION BELOW • 2014-2018

COMBAT ENGINEER • UNITED STATES MARINE CORPS • 2010-2014

- Data collection and analysis with risk assessment covering multiple aspects of the job.
- Critical thinking and decision making in order to approach problems from varying angles.
- Completed Intermediate Leadership and Management Development.
- Supervised, trained and evaluated 25 personnel in rapidly changing environments.
